Moil point</li><li>- 1 set N2 charging kit</li><li>- 1 set Spring hose</li><li>- 1 set Manual and parts book</li><li>- 1 set Tool box</li></ul>	

\*Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification, stating the corresponding performance parameter of the the equipment offered. Statement of "Comply" or "Not Comply" must be supported by evidence in a Bidder's Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or Supplier liable for prosecution subject to the provisions of ITB Clause 3.1 (a) (ii) and/or GCC Clause 2.1 (a) (ii).

***I hereby certify to comply with the Technical Specifications of all the items to be Bid.***
