<p>APPROVED BUDGET FOR THE CONTRACT (ABC): PhP 264,000.00</p>	<p>FRANCIS V. MASLOG CHAIRPERSON Bids and Awards Committee</p>
--	---

TERMS AND CONDITIONS

- All quotations may be typewritten or handwritten, placed in a sealed envelope.
- All quotations shall be valid for one hundred twenty (120) calendar days from the deadline of the submission of the same.
- Any erasures or overwriting shall be valid only if they are signed or initialed by the supplier or its authorized representative.
- Interested suppliers are required to submit their valid current Mayor's Permit, PhilGEPS Registration Number, and Income/BIR Tax Return (for ABCs above P500,000.00) upon submission of quotation. In lieu of the Mayor's Permit and PhilGEPS Registration Number, the PhilGEPS Certificate of Platinum Membership may be submitted. For new businesses, submit the BIR Certificate of Registration and latest quarterly return or percentage tax..
- The applicable rate for late deliveries is one tenth (1/10) of one percent (1%) of the cost of the unperformed portion for everyday of delay.
- The Provincial Government of Pampanga reserves the right to accept or reject any quotation, and to annul the procurement process and reject all quotations at any time prior to contract award, without thereby incurring any liability to the affected supplier/s.
- The PGP also reserves the right to waive any required formality in the proposals received, and select the proposal which it determine to be the most advantageous to the government.

Single-Use Plastics and the Environment

**The Philippines
generates 2.7
million tons of
plastic waste
per year.**

Source: World Bank

It is the world's
third largest contributor to
mismanged plastic
wastes, with an estimated
0.75 million tons of plastic
entering the ocean each year.

**Plastic straws
can take up to
200 years
to decompose.**

Source: WWF Australia

During this period,
straws will gradually
break down into smaller
particles known as **microplastics**,
which are present in almost all
water systems in the world.

**Plastic wastes
ending up in
oceans are
harmful to
marine life.**

Source: Sea Turtle Conservancy

**Over 1 million marine
animals** are killed each year
due to plastic pollution in
the ocean. Turtles often mistake
plastic for food, while fish ingest
microplastics unintentionally.

**#REFUSE
SingleUse**
**Be the solution
to plastic pollution!**

By refusing
single-use plastics,
you are doing your part
in helping reduce the
amount of plastic wastes
that find their way to the
environment.
